Summer Wrap Up

As Summer is nearing an end, we would like to recap this year's Summer Park Series. First and foremost we would like to thank everyone that helps out with these events and thank you to those who participate! We love to see members of the community enjoying these events.

We hosted the Movie Under the Stars on June 19th and had a nice turnout for Big Hero 6. Thank you to Brian Miller of Visions N Vibrations—we always appreciate his help with this event!

Our WaterWorks event was held on July 19th and we were so happy to see so many families make it out to enjoy the day with us! We are very grateful for the Pesotum Fire Department bringing out a firetruck and sharing in the fun. We also had Kona Ice out to provide shaved ice to all of our guests and this was a huge hit!

Our final event of the Summer was on August 29th with Nickel and Dimes Band. We were pleased to see so many folks make it out for this event! It was a beautiful evening and the band put on a great show!

We look forward to planning events for next year! If you have any ideas for events for next year or if you would like to donate your time to help with an event, please contact Katie Wilson at katiwilson614@outlook.com or feel free to post on our Facebook page at www.facebook.com/Pesotum.
